President's Message

When Thumbay Group started its journey back in 1998, it was our resolve to provide high-quality healthcare at affordable costs. This dream was realized with the launch of our Healthcare Division in 2002, under which Thumbay network of academic hospitals, day care hospitals and clinics have been established across the UAE.

Thumbay Clinics are one of the latest additions to our growing network of healthcare services. At Thumbay Clinics we specialize in providing personalized, patient-centered, high-quality and cost-effective medical care on an as-needed or preventative basis. All our healthcare professionals are personnel with vast experience in their areas of specialty, committed to the mission of healing.

Thumbay Group's hospitals and clinics have many unique features such as patient-centric services, affordable costs, presence throughout the UAE, strong cultural diversity, an impeccable record of zero infection rate, state-of-the-art facilities, negligible waiting times, complementary services attached at all our facilities (Pharmacy, Lab, etc.), continuous patient care improvement, and our advanced labs with unbelievable minimal TAT times (less than 5 hours for advanced tests) etc.

At Thumbay Group's healthcare facilities, we take our responsibility very seriously. We have always been committed to providing quality service, and have demonstrated the highest standards of professionalism. We have emerged as the pioneers in offering state-of-the-art technology and advanced medical and surgical services. The fact that our hospitals and clinics serve patients from 175 different nationalities, bears testimony to the trust and confidence we enjoy.

Vice President's Message

The Thumbay Clinic network has grown and established itself as a highly popular family healthcare destination. The sophistication, expertise, convenience and quality offered by the clinics have set new standards of healthcare services delivery.

The healthcare division of Thumbay Group has launched a whole new way of healing, with the introduction of Thumbay Clinic ELITE. Patient convenience has been the primary focus of Thumbay Clinic ELITE. The clinic endeavors to deliver comprehensive, high-quality care across various specialties, combining the ELITE service element by minimizing formalities and eliminating waiting-times. The aesthetically pleasing interiors and furnishings add to the ELITE experience.

Thumbay Clinic ELITE offer specialist care in Obstetrics & Gynecology, Pediatrics, Internal Medicine, General Medicine and Radiology as well as laboratory services. The Marhaba Service at the clinic ensures personalized, hassle-free care for patients. The clinic honors all major insurance cards. A Thumbay Pharmacy ELITE outlet adjoining the clinic emphasizes patient convenience.

Thumbay Group is in the constant pursuit of the best ways to serve our customers. We are committed to helping you and your loved ones when you need us. Our ultimate goal will always be the comfort and well-being of our patients. Our professional team of caregivers is dedicated to ensuring that you get the best experience.
